SIESTA™
COLLECTION
CLEANING
INSTRUCTIONS****CONDITION****RECOMMENDED DURALIFE™ SOLUTION****General Cleaning**

Dry sweep as needed, wash with warm, soapy water & sponge.

Mold & Mildew Removal

Warm, soapy water & sponge (laundry detergent without bleach is best)

Grease Stains

Warm, soapy water & sponge (laundry detergent without bleach is best), baby wipes for spot cleaning

Rust Stains

Warm, soapy water & sponge (laundry detergent without bleach is best)

Construction Marks

Rubbing alcohol

Minor Scratches

Siesta™ touch-up pens or paint stripper gun (heat gun)

Deep Gouges or Cuts

Epoxy putty & touch-up pens available in the Siesta™ Repair Care Kit

Minor Scuff Marks

Minor scuff marks will weather to deck color, or paint stripper gun (heat gun)

Weathering

Siesta™ semi-gloss surface will weather to a natural matte finish over time. Color variation occurs naturally during the manufacturing process and should be expected. When exposed to the elements, color variation due to weathering may be uneven because of exposure to different amounts of sunlight.

Bird Droppings

Wash with warm, soapy water & sponge.

Snow Removal

Only use a plastic edge shovel.

Ice Removal

Use ice/snow melt that will not stain or damage cement. Sweep ice/snow melt off the surface of the deck. DO NOT chip.
