EverGuard EXTREME

Advanced Heat & UV Protection TPO

Pre-Formed Accessories

TPO Pre-Formed Accessories

Description

EverGuard Extreme® TPO single-ply roofing system pre-formed accessories provide roofing contractors an easy-to-install, factory-built detail. EverGuard Extreme® pre-formed accessories are constructed from GAF's proven durable EverGuard Extreme® TPO single-ply reinforced membrane.

- **Cost effective...**
Reduce installed costs
- **Improved reliability...**
Factory-built accessories reduce risk of leaks and callbacks
- **Improved aesthetics...**
Uniform look

Application

EverGuard Extreme® TPO pre-formed accessories are designed for use with GAF EverGuard Extreme® TPO single-ply membranes. The pre-formed accessories may be installed on mechanically attached, fully adhered or self-adhered EverGuard Extreme® TPO roofing systems. Pre-formed accessories are installed using conventional techniques. See current application and specification manual for detailed instructions.

Product Information

EverGuard Extreme® square tube wraps are constructed from EverGuard Extreme® reinforced 45 mil membrane. Three standard sizes of square wrap are available. They are split and can be wrapped around square and rectangular roof structures such as machinery screen supports. A stainless steel clamp is included to assist in sealing the top edge of the wrap.

Square Tube Wrap

- Available in 3 standard sizes
- Custom sizes also available*
- Includes stainless clamp for top edge seal
