

EverGuard[®] TPO
Pre-Formed Accessories
Split Pipe Boots
Data Sheet

Updated: 9/09

Quality You Can Trust Since 1886...
From North America's Largest Roofing Manufacturer!™

Description

EverGuard[®] TPO single ply roofing system pre-formed accessories provide roofing contractors an easy-to-install, factory-built detail. EverGuard[®] pre-formed accessories are constructed from GAF's proven durable EverGuard[®] TPO single-ply reinforced membrane.

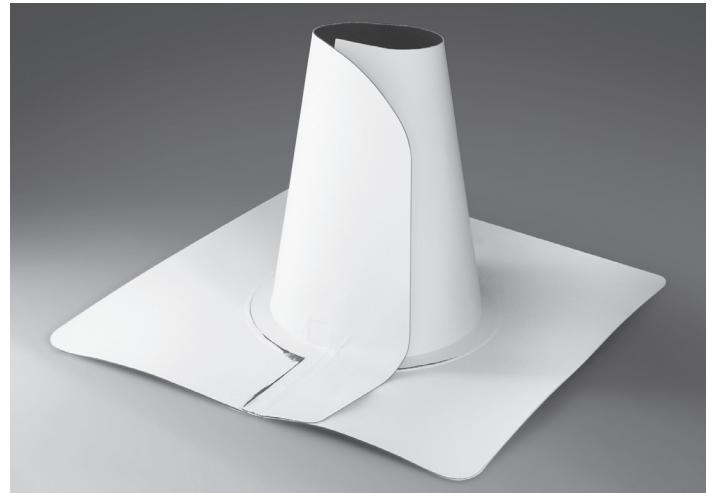

- **Cost effective...** Reduce installed costs
- **Improved Reliability...** Factory-built accessories reduce risk of leaks and callbacks
- **Improved aesthetics...** Uniform look

Application

EverGuard[®] TPO pre-formed accessories are designed for use with GAF EverGuard[®] TPO single-ply membranes and EverGuard[®] Freedom TPO self-adhering membranes. The pre-formed accessories may be installed on mechanically attached, fully adhered or self-adhered EverGuard[®] TPO roofing systems. Pre-formed accessories are installed using conventional techniques. See current application and specification manual for detailed instructions.

Product Information

EverGuard[®] split pipe boots are constructed from EverGuard[®] reinforced 45 mil membrane. Three standard sizes of pipe boot are available. They are split and can be wrapped around pipes and conduit where closed boots cannot be used
