

EverGuard® TPO
Molded Accessories
Vent Boots
Data Sheet

Updated: 9/09

Quality You Can Trust Since 1886...
From North America's Largest Roofing Manufacturer!™

Description

EverGuard[®] TPO single ply roofing system molded accessories provide roofing contractors an easy-to-install, factory-built detail. EverGuard[®] molded accessories are manufactured using a proprietary formulation designed for use with GAF's EverGuard[®] TPO single-ply membranes.

- **Cost effective...** Reduce installed costs
- **Improved Reliability...** Factory-built accessories reduce risk of leaks and callbacks
- **Improved aesthetics...** Uniform look

Application

EverGuard[®] TPO molded accessories are designed for use with GAF EverGuard[®] TPO single-ply membranes and EverGuard[®] Freedom TPO self-adhering membranes. The molded accessories may be installed on mechanically attached, fully adhered or self-adhered EverGuard[®] TPO roofing systems. EverGuard[®] molded accessories are installed using conventional techniques. See current application and specification manual for detailed instructions.

Product Information

EverGuard[®] Vent Boots are molded from a proprietary TPO formulation engineered to work with EverGuard[®] TPO single-ply membranes. Allow for fast flashing of vents and pipes between 1 and 6 inches in diameter.
