TruSlate® Ridge Vent Limited Warranty

The Warranty. GAF Warranty Company, LLC, a subsidiary of GAF, warrants to you, the original owner of TruSlate® Ridge Vent (or the first subsequent owner if the warranty was properly transferred), that your TruSlate® Ridge Vent will remain free from manufacturing defects or ordinary wear and tear by the elements that adversely affects its performance or GAF will provide you with the exclusive remedy set forth below. The warranty period starts at the completion of ventilation installation and, unless terminated by the sale of the property upon which TruSlate® Ridge Vent is applied or the removal of your TruSlate® Ridge Vent for re-use, expires at the end of forty (40) years.

Exclusive Remedy. For any TruSlate® Ridge Vent that does not perform as stated above, GAF, at its sole option and as its only obligation to you, will either (1) provide you with replacement TruSlate® Ridge Vent (EXCLUDING labor); or (2) refund the full original purchase price (EXCLUDING labor) of your TruSlate® Ridge Vent.

Who Is Covered By This Limited Warranty; Transferability. You are covered by this warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred **only** once. The second owner must notify GAF in writing within **60 days** after the property transfer for warranty coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.)

Limitations on Coverage. GAF will NOT be liable for and this warranty does NOT apply to:

- (1) Damage to your TruSlate® Ridge Vent resulting from anything other than an inherent manufacturing defect in your TruSlate® Ridge Vent, including but not limited to:
 - (a) improper fastening of your TruSlate® Ridge Vent or application not in strict accordance with GAF's published application instructions.
 - (b) application of cleaning solutions, paint, or coatings.
 - (c) settlement or movement of the building walls, foundation, or roof deck.
 - (d) defects in, or failure or misapplication of, materials used either (i) as a roof base over which TruSlate® Ridge Vent was applied, or (ii) as the roof cap applied over TruSlate® Ridge Vent.
- (2) Damage to your TruSlate® Ridge Vent resulting from causes beyond normal wear and tear, including but not limited to:
 - (a) acts of nature, such as hailstorms, windstorms, or other unusually strong storms.
 - (b) impact of foreign objects or traffic on the roof.
 - (c) improper storage or handling of the TruSlate® Ridge Vent.
- (3) DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING or to any property contained in or near it, including, but not limited to, snow infiltration and mold growth.
- (4) Damages resulting from the removal and/or reinstallation of your TruSlate® Ridge Vent.
- (5) Labor costs incurred in connection with the repair, removal, or replacement of your TruSlate® Ridge Vent or related work.

Other Limitations Concerning Coverage. Decisions as to the extent of replacement required, will be made solely by GAF. The remedy under this warranty is available only for that portion of your TruSlate® Ridge Vent actually exhibiting manufacturing defects or more than ordinary wear and tear at the time that your claim is settled. Any replacement TruSlate® Ridge Vent will be warranted only for the remainder of the original warranty period.

Claims: WHAT YOU MUST DO. You must notify GAF about any claim within **30 days** after you notice a problem **and** provide proof of the date your TruSlate® Ridge Vent was applied and that you are the original owner (or that the warranty was properly transferred to you). You must either call GAF at 1-800-458-1860 about your claim or send a notice to GAF in writing to: GAF, Warranty Services Department, 1361 Alps Road, Wayne, New Jersey 07470, USA. You will then be provided with complete details about submitting your claim. GAF may require you to send to GAF, at your expense, sample TruSlate® Ridge Vent for testing and photographs. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this warranty. Any claim for TruSlate® Ridge Vent that has been replaced before notifying GAF of your claim may be denied. **NOTE:** Notice to your contractor, dealer, or home builder is **NOT** notice to GAF. You should retain this document for your records in the unlikely event that you need to file a claim.

Sole and Exclusive Warranty. THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS, AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW OR IN EQUITY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. This written warranty is your exclusive warranty from GAF and represents the **SOLE REMEDY** available to any owner of TruSlate® Ridge Vent. GAF makes **NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES** of any kind other than that stated herein. GAF **WILL NOT BE LIABLE** IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether for breach of this warranty, negligence, strict liability in tort, or for any other cause. Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Modification of Warranty. This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional liability or responsibility for GAF in connection with your TruSlate® Ridge Vent except as described in this warranty. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. (**Note:** Warranty subject to change.
