

**Community  
Contractor**

# Support Your Community, Differentiate Your Business

Donate your time and GAF will donate approved material on a roofing project.

## How to Engage:

Partner with your local Habitat for Humanity or any 501c3 non-profit organization of choice. Donate or discount your labor and GAF will donate the full GAF roofing system + qualifying warranty.

Together we can support your neighbors and community heroes with a roof install, repair, or replacement.
