

# GAF Community Contractor Program

Support your community by partnering with a local Habitat for Humanity affiliate or your preferred 501(c)(3) nonprofit on a roofing project.

When a Residential Contractor donates or discounts labor to install a GAF Roofing System on a Habitat project or another approved residential project, GAF will donate the approved materials and an enhanced warranty.

When a Commercial Contractor donates or discounts labor to install GAF commercial roofing materials on a Habitat project or another approved commercial project, GAF will donate the approved materials.

## 1. Qualifying Contractors

- Residential Contractors: GAF Master Elite®, GAF Certified Plus™, and GAF Certified™ Contractors
- Commercial Contractors: GAF Certified™, GAF GoldElite™, and GAF PlatinumElite™

## 2. Limits

- Residential Contractors may receive material credit for up to 120 squares of GAF residential roofing materials (shingles and complementary accessory products) per calendar year.
- Commercial Contractors may receive material credit of up to \$5,000 for GAF commercial roofing materials per calendar year.

## 3. How to Participate

- **Select your Project:**
  - **Habitat for Humanity Projects:** Contact [your local HFH affiliate](#) to identify a roofing project and determine the roofing materials needed. Habitat projects do not require pre-approval by GAF.
  - **501c3 Non-Profit Projects, excluding Habitat:** Contact the local 501c3 organization of your choice to identify a roofing project and determine the roofing materials needed.

**Email the information requested below to your GAF territory manager to submit it on your behalf or email the information to [CommunityContractor@gaf.com](mailto:CommunityContractor@gaf.com) and copy your territory manager on the email:**

- Your name:
- Company name:

- Non-profit organization:
- Project city and state:
- GAF materials requested for the project:

*If you are working with a 501c3 organization other than Habitat, your project must be pre-approved by GAF. We will let you know if your project is approved within 7 days of receiving your request.*

- Once your project is approved, please procure GAF products through your local distributor. Note: retail purchases (e.g. Home Depot) do not qualify for this program.
- Donate or discount your labor to complete the project.
- Once the project is finished, work with your Territory Manager to complete the [Job Completion Form](#). The job completion form must be received within 30 days of the job completion date.
- GAF will issue a distributor credit in approximately 2-3 weeks for the qualifying GAF materials
- GAF will waive the registration fee for an enhanced warranty on qualifying residential GAF Roofing Systems.
- You can create awareness of your efforts before, during and after your installation by following the tips in our [GAF Community Contractor Program Playbook](#).

#### 4. What qualifies

##### Residential

GAF Roofing System	Must be Installed By	Enhanced Warranty Type*
Qualifying GAF Shingles + 5 Qualifying Accessory Products	GAF Master Elite	Golden Pledge Limited Warranty
Qualifying GAF Shingles + 4 Qualifying Accessory Products	GAF Certified Plus or Master Elite	Silver Pledge Limited Warranty
Qualifying GAF Shingles + 3 Qualifying Accessory Products	GAF Certified, Certified Plus, or Master Elite	System Plus Limited Warranty

\*The enhanced limited warranty provided is determined by the roofing system installed, property type and contractor certification level. To view warranty coverage and restrictions visit [gaf.com/warranties](http://gaf.com/warranties). For a list of qualifying shingles and accessories visit [gaf.com/LRS](http://gaf.com/LRS).

To register an enhanced limited warranty:

- Log in to the GAF Partner Portal and to complete the warranty registration form
- Save the form as a draft rather than submitting it
- Email Contractor Services at [CCP@gaf.com](mailto:CCP@gaf.com) to confirm the information in your draft is complete. If complete, Contractor Services will process the warranty and waive the fee.

## Commercial

Contractor Level	GAF Commercial Roofing Products	Warranty/Guarantee Type**
GAF Certified™	All	Standard limited warranty covering the individual commercial roofing products.
GAF GoldElite™	All	Standard limited warranty covering the individual commercial roofing products.
GAF PlatinumElite™	All	Standard limited warranty covering the individual commercial roofing products.

\*\*System guarantee coverage is available for purchase for qualifying roofing systems.

## 5. Additional Details

- GAF will only reimburse you for the cost of qualifying GAF-manufactured materials. GAF is not responsible for and will not reimburse you for the cost of any other products, such as drip edge, nails, flashing, and sealants or any other costs incurred in connection with the roof installation such as delivery and disposal fees.
- All eligibility determinations for this program will be made by GAF in its sole discretion.
- For questions, please email [CommunityContractor@gaf.com](mailto:CommunityContractor@gaf.com).
