

CommunityContractor

GAF Habitat for Humanity Program

How does it work?

Contractors certified with GAF donate their labor in partnership with Habitat and GAF will donate a GAF Lifetime Roofing System to the project.

Find a Habitat Project

Locate and contact your local Habitat for Humanity affiliate [here](#). They'll help identify a project for you!

Submit Job Completion Form

Complete the form within 30 days of finishing the job to receive reimbursement from GAF and a GAF System Plus Limited Warranty.

Showcase Your Impact

We can help promote your community work.

If your Habitat project is over 30 squares, please contact communitycontractor@gaf.com for job approval before purchasing any material or beginning work.

Qualifying GAF Lifetime Roofing System products:

You must install Timberline® shingles and at least three qualifying GAF accessory products. To see a complete list of qualifying accessories, visit gaf.com/LRS.

Additional details:

The GAF Lifetime Roofing System must: (a) not be installed over an existing roof on a Habitat Project; (b) be installed in compliance with local codes and GAF's installation instructions; and (c) meet all standard System Plus Limited Warranty eligibility requirements.

GAF will only reimburse you for the cost of a GAF Lifetime Roofing System. GAF is not responsible for and will not reimburse you for the cost of any other products, such as drip edge, nails, flashing, and sealants or any other costs incurred in connection with the roof installation such delivery and disposal fees.

GAF will issue a System Plus Limited Warranty for the GAF Lifetime Roofing System that you install on a Habitat Project in accordance with the terms of this program. You will not be required to register the warranty or pay the registration fee.
