

GAF Reflective Shingles

Lifetime⁺ Shingles

Timberline HDZ[®] RS
Color shown: Charcoal

Welcome to the new era of reflective roofing. GAF Reflective Shingles contain specially formulated EcoDark[™] granules, delivering cool roofs and dark looks with one name you can trust.

We protect what matters most[™]

GAF

A new era in reflective shingles

Experience deep, rich shingle colors without compromising the benefits of a reflective roof.

Infinite wind speed protection¹

GAF reflective shingles are eligible for the industry's first wind warranty with no windspeed limit when installed with four required GAF accessories.

25-year advanced algae protection²

Powered by industry-first Time-Release Algae-Fighting Technology, protect your roof investment with algae resistance so powerful it allows us to offer a 25-year limited warranty against blue-green algae discoloration.

Lifetime[†] Limited Warranty

GAF reflective shingles come with a Lifetime[†] Limited Warranty against manufacturing defects.

Class A Fire rating³

GAF reflective shingles achieve an ANSI/UL 790 Class A fire rating, indicating effectiveness against severe fire test exposures.

¹ Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime shingle and at least 3 qualifying GAF accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

² 15-year WindProven™ Limited Wind Warranty covers GAF shingles with LayerLock® Technology only and requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven™ Limited Wind Warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

³ 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

³ ANSI/UL 790 Class A roofing fire rating is a component of UL Classified roofing assemblies. Refer to UL Product iQ for specific assemblies.

Choose a system built to protect

Much more than high-quality shingles, the GAF residential roofing system has multiple layers that work together to provide durable, weather-resistant protection.

Install any GAF Lifetime[†] shingle and any 3 qualifying GAF accessories and get a Lifetime[†] Limited Warranty on your qualifying GAF products plus non-prorated coverage for the first 10 years.

For even stronger coverage, ask your GAF factory-certified contractor¹ about enhanced GAF warranties.

Visit gaf.com/LRS for a list of qualifying products.

Rooftop Accessories
Specialty accessories engineered to help keep the system dry, strong, and looking its best

Ridge Cap Shingles

Helps defend against leaks at the hips and ridges

Attic Ventilation

Helps reduce attic moisture and heat

Lifetime[†] Shingles

Helps beautify and protect for years to come

Starter Strip Shingles

Helps guard against shingle blow-offs

Roof Deck Protection

Helps shield the roof deck from moisture infiltration

Leak Barrier

Helps prevent leaks caused by wind-driven rain and ice dams

Visit gaf.com/System to learn about the GAF Roofing System

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime shingle and at least 3 qualifying GAF accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

¹ Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the *Contractor Terms of Use*. Visit gaf.com/gaf-contractor-terms-of-use for details.

Reflective Lifetime[®] Shingles

MEETS
SRI 21[™]

Charcoal

This dark, rich gray is a favorite, thanks to its flexibility. Pairing well with both warm and cool colors, Charcoal makes a statement on a wide range of home styles.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

TimberlineHDZ[®]RS

Reflective Lifetime[®] Shingles

MEETS
SRI 21[™]

Hickory

This appealing brown shade has the added element of a red undertone. Hickory looks truly grand on homes with warm neutrals of brown and beige, as well as with yellows and golds.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

TimberlineHDZ® RS
Reflective Lifetime® Shingles

MEETS
SRI 22**

Stone Gray

This charming gray has a blue note to it, making it cooler and more versatile. A natural complement to all other grays and blues, Stone Gray also performs well alongside yellows, creams, and ivories.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Reflective Lifetime[®] Shingles

MEETS
SRI 21[™]

Aged Chestnut

This nature-inspired brown pairs beautifully with most other warm exterior colors, such as beige, taupe, cream, gold, and yellow. Aged Chestnut's genuine wood-shake look in an asphalt shingle will give your home a warm, inviting feel.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Reflective Lifetime[®] Shingles

MEETS
SRI 21[™]

Coastal Slate

This cool gray asphalt shingle has a lovely green undertone — similar to traditional slate. Coastal Slate coordinates effortlessly with both grays and greens on the cool side, as well as with white, cream, and ivory exterior colors.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Timberline**HDZ**[®] RS
Reflective Lifetime[®] Shingles

Sandalwood

Reminiscent of a windswept shoreline, this inviting shingle pairs comfortably with beige, brown, and golden tones. Extremely versatile and welcoming, Sandalwood complements virtually any style of home.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Timberline**HDZ**[®]
High Definition[®] Shingles

Fox Hollow Gray

A refined blend of cool, neutral tones that mimic natural slate with sophistication and charm.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Birchwood

This soft, neutral shade of gray flatters homes that feature clean lines. Characterized by its subtle tints, Birchwood harmonizes perfectly with city or suburban environments.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Copper Canyon

This shingle makes a defining statement. Copper Canyon dances with several different hues, highlighted with a spicy nutmeg tone throughout — making it an ideal choice for pairing with both grays and browns.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Golden Amber

Golden Amber exhibits a refreshing, warm tone, with hints of brown, cinnamon, and beige. This shingle works very well with lighter exteriors, such as clay and other tan-based colors.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Charcoal

This dark rich gray is a favorite, thanks to its flexibility. Pairing well with both warm and cool colors, Charcoal makes a statement on a wide range of home styles.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Ocean Gray

This distinctive gray has cool blue-green nuances. Ocean Gray is a perfect background for grays, whites, and blue-greens, as well as white, cream, and ivory exterior colors.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Sagewood

Blending beautifully with nature, Sagewood straddles the line between warm and cool tones. It works extremely well as a companion to sages, creams, ivories, and any shade of beige.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Sandalwood

Reminiscent of a windswept shoreline, this inviting shingle pairs comfortably with beige, brown, and golden tones. Extremely versatile and welcoming, Sandalwood complements virtually any style of home.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Forest Brown

This deep brown has welcoming warmth and charm. The dark tones of Forest Brown are ideal finishes for any home exterior.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.
