

Unleash the power of storm resources

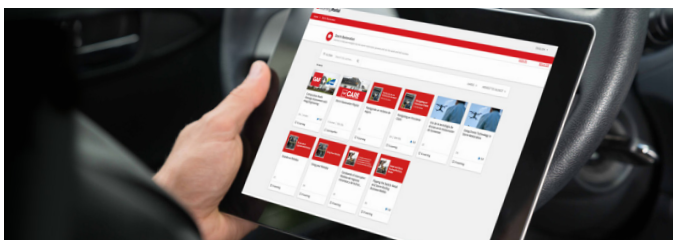

These tools are designed to empower you in the field:

GAF QuickMeasure™ Reports

The roof measurements you need to help create estimates fast. Single-family reports delivered in under an hour.* Learn more at gaf.com/QuickMeasure.

* Terms and restrictions apply. Visit gaf.com/QuickMeasure for details.

Storm Restoration Training

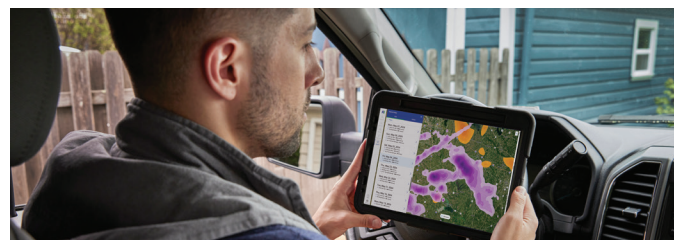

Stay ahead of the storm with our on-demand and instructor-led courses, including Xactimate® and Cotality™ (Symbility), at gaf.com/StormTraining. Plus, access the Storm Restoration Channel for the latest updates, quick videos, and expert insights at gaf.com/StormChannel.

GAF ScopeConnectSM Service

Simple turnkey service offering a complete insurance scope of work for a full roof replacement in under 24 hours.* Estimates can be written in Xactimate® and Cotality™ (Symbility). Learn more at gaf.com/ScopeConnect.

* Terms and restrictions apply. Visit gaf.com/ScopeConnect for details.

GAF WeatherHub*

When storms strike, make informed decisions with GAF WeatherHub. Leverage detailed hail and wind maps to strategically deploy your sales team where they're most needed. Be first to the door after the storm, visit gaf.com/WeatherHub.

* Paid subscription required. Terms and restrictions apply. Visit gaf.com/WeatherHub for details.

Need information on FORTIFIED Roof™?

GAF has allied with the Insurance Institute for Business & Home Safety (IBHS), developers of the FORTIFIED™ program. This voluntary construction and re-roofing program is designed to help protect homes against severe weather. To learn more about the alliance and FORTIFIED Roof™, visit gaf.com/FORTIFIED.

We protect what matters most™
