

Step up to System Plus Limited Warranty coverage

A new roof is just too important to cover with ordinary shingles and accessories. When you want to protect what matters most, choose a GAF Lifetime Roofing System. When GAF shingles and at least 3 qualifying accessory products are installed by a GAF certified contractor, the products are eligible for the powerful coverage in the System Plus Limited Warranty.

For starters, the System Plus Limited Warranty increases the non-prorated coverage term for manufacturing defects adversely affecting performance from 10 to 50 years. That includes installation labor, tear-off, and disposal costs. Here's a quick look at some key enhancements available with System Plus coverage:

For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any qualifying GAF shingles and at least 3 qualifying GAF accessories.
