Updated: 5/16

*Quality You Can Trust...From  
North America's Largest Roofing Manufacturer!™*

**Description**

EverGuard<sup>®</sup>TPO 6" Cover Tape provides roofing contractors with an easy-to-install factory-built detail. EverGuard<sup>®</sup>TPO 6" Cover Tape is constructed from GAF's proven, durable, high-performance EverGuard<sup>®</sup>TPO.

- **Cost effective...**Reduces installed costs
- **Improved reliability...**Factory-built accessories reduce risk of leaks and callbacks
- **Improved aesthetics...**Uniform look

**Application**

For use in stripping-in primed galvanized edge metal and to install RapidSeam<sup>™</sup> end laps. Using soap and water, clean the entire surface and roof membrane to be covered. Dry the entire area. Wipe area to be primed with a white cloth moistened with EverGuard<sup>®</sup>TPO Cleaner. Brush or roller-apply the EverGuard<sup>®</sup>Primer 3" (76 mm) onto each surface, carrying this past the ends 3" (76 mm). Install the EverGuard<sup>®</sup>TPO 6" Cover Tape over the primer after flash-off and roll-in with a silicone roller.

**6" Cover Tape**

**Product Information**

EverGuard<sup>®</sup>TPO 6" Cover Tape is a 6" (152 mm) wide, non-reinforced TPO membrane backed with a butyl tape adhesive.
