

Perimeter Edge Metal

Description:

EverGuard® One Edge Fascia and EverGuard® One Edge Extended Fascia are snap-on fascia systems that eliminate crimping, substantially reducing installation time on single-ply roofs. Dual attachment points on both the face and roof deck allow for added flexibility when accommodating roof irregularities. With no exposed fasteners and no unsightly cover plates, EverGuard® Fascia will complement the building's aesthetics, while also being fast and easy to install.

Features and Benefits:

- EverGuard® One Edge Fascia sizes range from 4" (107 mm) – 8" (203 mm) face heights to accommodate multiple nailers and wall requirements.
- EverGuard® One Edge Extended Fascia sizes range from 9.5" (241 mm) – 12.5" (318 mm) face heights to accommodate multiple nailers and wall requirements.
- EverGuard® One Edge Fascia is eligible for the Rapid Edge quick ship program**

- Fast and easy to install.
- Factory-fabricated miters, scuppers, and drainage accessories provide a clean aesthetic and can help save time by eliminating the need for field fabrication.
- Express, standard, and premium colors and finishes are available and include a 30-year limited Kynar 500® finish warranty on coil-coated standard colors. For warranty details, please visit gaf.com.
- Custom colors are also available. A 10-year limited warranty is included for post-painted Kynar®-coated aluminum applications unless otherwise stated. A 20-year limited warranty may be available upon request for certain colors.*

* Restrictions apply; consult your GAF Territory Manager for more information.

** Available for M-Weld™ One Edge Fascia in 24 ga. (steel) and .040" (alum.) and in Express Colors only. US delivery only. Orders received before 10:00 a.m. Eastern time will be processed within three business days, provided that the information supplied is complete and accurate. Any changes to the original order may delay shipping. Actual shipping time may vary depending upon delivery location. Other restrictions apply.
