

EverGuard™ PVC GAF CornerCurbWrap

Description:

Increase efficiency and reduce flashing time when covering curbs and parapets with factory-built EverGuard™ PVC Curb Wraps. These single-ply roofing system preformed accessories provide roofing contractors with an effective, easy-to-install detail. GAF manufactures these and other accessories from its proven, durable EverGuard® PVC KEE single-ply reinforced membrane. GAF PVC accessories can help you reduce installation labor, risk of leaks, and callbacks, while helping you create a uniform look.

Application:

Preformed accessories such as the PVC Curb Wrap may be installed on mechanically attached, induction-welded, or fully adhered EverGuard® PVC and PVC KEE roofing systems.

Product Information:

EverGuard™ PVC Corner Curb Wraps are constructed from 60 mil reinforced PVC KEE membrane and are designed for use with EverGuard® PVC and PVC KEE roofing membranes. Four standard sizes of EverGuard™ PVC Corner Curb Wraps are available; each is 12" (305 mm) in height and has a 6" (152 mm) base area for welding to field membrane.

- Available in four standard sizes
- Custom sizes also available*
