

# EverGuard™ PVC Pourable SealerPocket

## Description:

The EverGuard™ PVC Pourable Sealer Pocket provides roofing contractors an easy-to-install, factory-built detail. EverGuard™ molded PVC accessories are manufactured using a proprietary formulation designed for use with GAF EverGuard® PVC and PVC KEE single-ply membranes.

- Eliminates the need for contractors to fabricate a pitch pocket in the field
- Factory-built accessories can help reduce risk of leaks and callbacks
- Uniform look

## Application:

The molded accessories may be installed on mechanically attached, induction-welded, or adhered systems. EverGuard™ molded accessories are installed using conventional techniques. See published application and specifications manual for detailed instructions.

## Product Information:

- Perfect for irregular roof penetrations
- Fill with EverGuard™ One-Part Pourable Sealant or FlexSeal™ Caulk Grade Sealant for the perfect finish
- Available colors: White, Gray, Tan, and Energy Gray

## Also Available:

- Fluted Corner
- Inside Corner
- Vent Boot
- Universal Corner
- Square Tube Wrap
