

PVC Accessories

EverGuard® PVC **SquareTubeWrap** Single-Ply Accessory

Description:

Increase efficiency when covering square or rectangular pipes with factory-built EverGuard® PVC Square Tube Wraps. These single-ply roofing system preformed accessories provide roofing contractors with an effective, easy-to-install detail. GAF manufactures these and other accessories from its proven, durable EverGuard® PVC single-ply reinforced membranes. GAF PVC accessories can help you reduce installation costs, risk of leaks, and callbacks, while helping you create a uniform look.

Application:

Preformed accessories may be installed on mechanically attached and fully adhered EverGuard® PVC and PVC KEE roofing systems, using conventional techniques. See published application and specifications manual for detailed instructions.

Product Information:

EverGuard® PVC Square Tube Wraps are constructed from EverGuard® PVC reinforced membrane. Two standard sizes of EverGuard® PVC Square Tube Wraps are available. Since they are split, they can be wrapped around square and rectangular roof structures such as machinery screen supports. A stainless-steel clamp is included to assist in sealing the top edge of the wrap.
