

EverGuard® TPO Precut Sacrificial Slip Sheets

Description:

Increase efficiency when protecting membrane with EverGuard® TPO Precut Sacrificial Slip Sheets. These single-ply roofing system accessories provide roofing contractors with an effective, easy-to-install detail. GAF manufactures these and other accessories from its proven, durable EverGuard® TPO single-ply reinforced membrane. GAF TPO accessories can help you reduce installation costs, risk of leaks, and callbacks, while helping you create a uniform look.

Application:

Precut Sacrificial Slip Sheets are typically loose-laid on mechanically attached, fully adhered, or self-adhered EverGuard® and EverGuard Extreme® TPO roofing systems, using conventional techniques, between the roof membrane and overburden items such as ballasted solar and pipe standoffs.

See published application and specifications manual for detailed instructions.

Product Information:

EverGuard® TPO Precut Sacrificial Slip Sheets are created from 60-mil EverGuard® reinforced white TPO membrane, and are shipped 50 per box. Four standard sizes are available, and you can contact your local GAF representative for custom sizes.
