

Master Flow™ Bath & Dryer Rooftop Appliance Vent

Helps vent heat and moisture from bathroom and kitchen exhaust fans, clothes dryers¹, and other household appliances through the roof; designed for performance with a premium aesthetic

- Sleek, modern design streamlines the roof's finished aesthetic
- Four colors help provide multiple complementary options
- Includes stainless steel removable screen, duct collar, and reducer

Master Flow™ Bath & Dryer Rooftop Appliance Vent

Benefits:

- **Premium vent aesthetics** deliver a modern, elevated finished appearance on the roof
- **Passes 110 mph wind-driven rain testing** per TAS 100(A)²
- **Meets ventilation codes that require a minimum of 12.5 sq. in. of net-free ventilation** area for rooftop bath, dryer, and appliance vents³
- **Versatile removable duct collar** helps simplify hookup to ductwork and makes lint and dust removal¹ easy without the need to go on the roof
- **Four colors available** to help provide multiple complementary options for today's popular shingle colors
- **Durable galvanized steel exterior** helps protect the vent against the elements
- **Large base flashing includes pre-punched nailing slots** for ease of installation and to allow for expansion/contraction
- **Up to 50-year limited warranty** against manufacturing defects, matching the length of the warranty on the surrounding roof cladding for up to 50 years⁴
- **Enhanced warranty coverage** available when installed by a contractor certified by GAF⁵ in connection with a qualifying roof system⁶

Easy installation:

5.5" (140 mm) diameter circular opening cut in roof deck with included template on packaging

Fastening slots allow for quick and easy installation while accounting for both expansion and contraction

Shingles are run over the top and sides of the base flashing and cut around the hood for a clean, finished look

Product details:

- Roof mount vent/cap for bath and kitchen exhaust fans, clothes dryers¹, range hoods and other household appliances
- Net-free area: 12.5 sq. in. (26,458 mm²)
- Removable stainless steel bird/pest screen¹
- Noise-minimizing damper design
- Removable duct collar
