Color shown: Obsidian Black

A modern way to go metal

A complete metal roofing system from one manufacturer. It's durable, beautiful, and more affordable than you imagine.

Metal remastered

TimberSteel™ premium metal roofing system

- TimberSteel™-branded metal components are fabricated from **GALVALUME®** steel, combining the high-performance qualities of steel, aluminum, and zinc for strength and corrosion resistance.
- Available in a range of colors to complement your home, its versatile aesthetic means you can now get durability and performance without compromising on beauty.
- **Top/bottom interlocking design and butyl adhesive** along with a nail-gunnable installation allow for fast installation.
- TimberSteel™ metal field shingles are **UL2218 Class 4 classified** for impact resistance.
- TimberSteel™-branded metal components are manufactured from **recyclable steel**.
- The TimberSteel™ system is backed by an unparalleled limited warranty with an industry-leading **30 years of workmanship coverage**, when installed by a GAF Metal Certified Contractor¹ and purchased with a *TimberSteel™ ArmorPledge™ Limited Warranty*.²

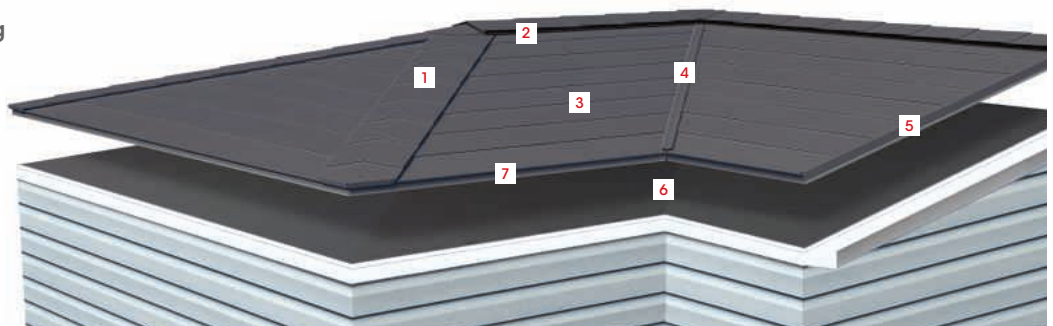

Colors:

Note: Due to the effect of varying lighting conditions on the color and texture of this product, as well as the limitations of the commercial printing process, the appearance of your TimberSteel™ roof will vary considerably throughout the day and night as well as from the photos depicted in this brochure. Always view actual product samples under different lighting conditions before selecting a color. Always view an actual product sample before making a color decision and/or installing on the roof.

TimberSteel™ Premium Metal Roofing System Core Components:

1. Hip & ridge cap shingles
2. Ridge vent
3. Field shingles
4. Valley flashing
5. Rake edge flashing

¹ Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the *Contractor Terms of Use*. Visit gaf.com/gaf-contractor-terms-of-use for details.

² The *TimberSteel™ ArmorPledge™ Limited Warranty* may only be purchased from a GAF Metal Certified contractor. Additional requirements may apply. See limited warranty available at gaf.com for complete coverage and restrictions.
