Remover (if needed)**

Mold Armor E-Z Deck Wash®

Grease StainsStand Off® Oil and Grease Stain Remover
Shout® Stain Remover, OxiClean® Stain Remover**Rust Stains**

OxiClean® Stain Remover

Minor Scratches

Scratches will weather to deck color.

Deep Gouges or CutsDeep gouges or cuts will weather to deck color or
board may need to be replaced.**Minor Scuff Marks**

Minor scuff marks will weather to deck color.

WeatheringDuraLife™ Natural Grain Collection will weather to a
lighter shade during the first year of exposure. Color
variation occurs naturally during the manufacturing
process and should be expected. When exposed to
the elements, color variation due to weathering may
be uneven because of exposure to different amounts
of sunlight.**Bird Droppings**

Wash with warm, soapy water & sponge.

Snow Removal

Only use a plastic edge shovel.

Ice RemovalUse ice/snow melt that will not stain or damage
cement. Sweep ice/snow melt off the surface of
the deck. DO NOT chip.
