

## SHINGLE INSTALLATION

Start at either rake and lay in either direction

### First Course:

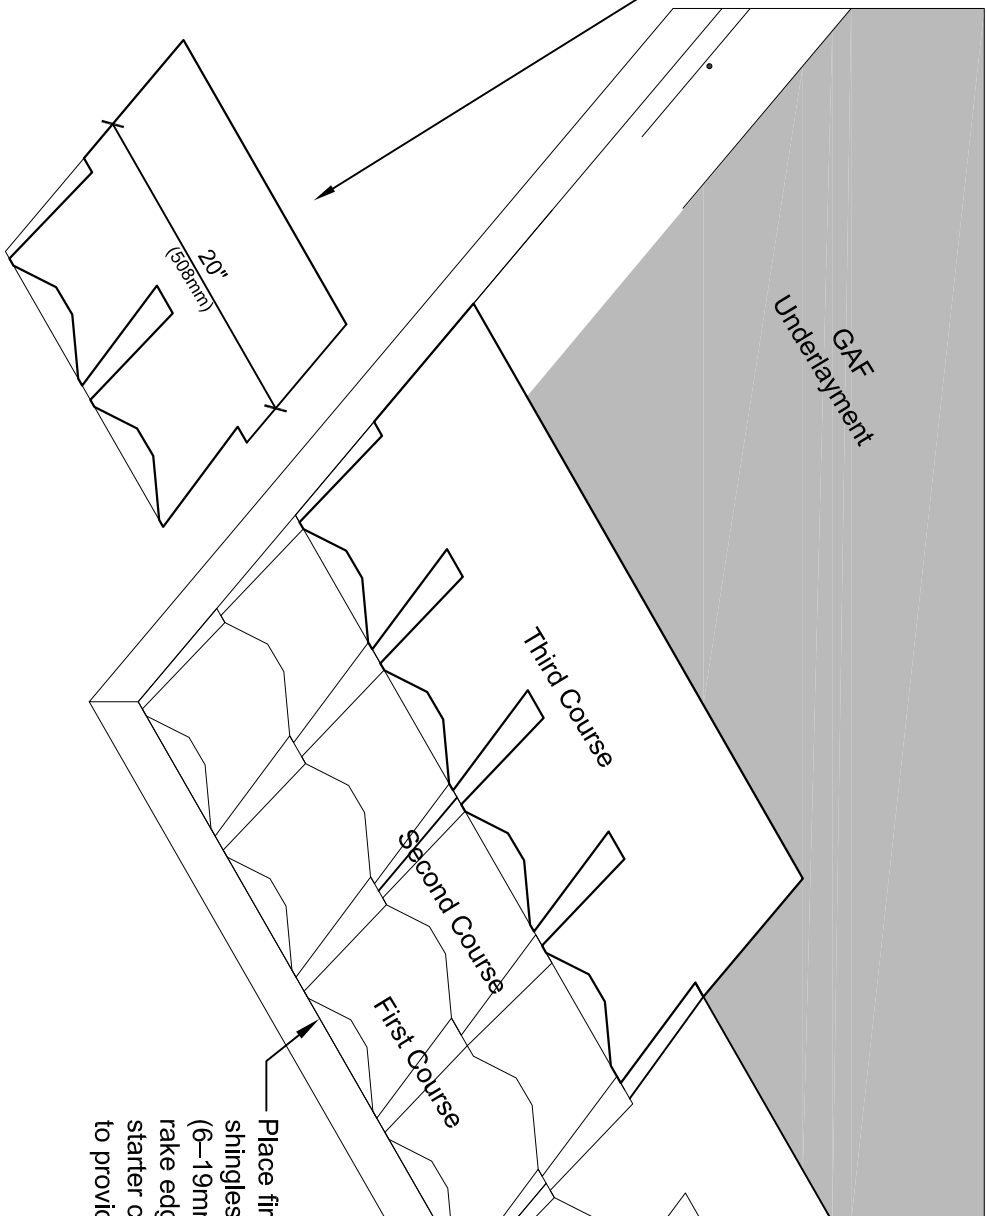

Start with full shingle

### Second Course:

Trim 20" (508mm) off first shingle

### Remaining Courses:

Repeat the 1st - 2nd course instructions on the remaining courses, starting the third course with a full shingle.

### NOTES:

1. Continue each course with whole shingles.
2. Strike a chalk line about every 6 courses to check parallel alignment with eaves.

Place first course of shingles 1/4" - 3/4" (6-19mm) over eave and rake edges, covering starter course overhang, to provide drip edge.
