ScratchGuard™ Protection

Surface is up to 25% harder, for a more durable, long-lasting, and scratch resistant finish

Smart Choice®

Lifetime, transferable coverage offers superior protection and enhanced re-sale value
(See ltd. warranty for complete coverage and restrictions)

Tru90™ Corners

Near-perfect corners mean easier installation and a better finished look

ThruColor™ Construction

Special complementary color tint embedded in the stone helps minimize the appearance of nicks or chips

SureStik™ Grooves

Consistent, well-defined grooves provide superior adhesion and less chance of loose stones
