*Quality You Can Trust Since 1886...  
From North America's Largest Roofing Manufacturer™*

# PacificRIDGE™

*Distinctive Ridge Cap Shingles*

*The Perfect  
Finishing Touch  
For Your New Roof  
Should Be A Distinctive  
Ridge Cap Shingle*

**A Distinctive Ridge Cap Shingle Will:** Accentuate the natural beauty of your newly installed architectural shingle roof • Insure multi-layer protection at the highest-stress areas of your roof (the hips and ridges) • Provide a striking and higher quality alternative to using cut-up strip shingles as your ridge cap.

PacificRidge™ Distinctive Ridge Cap Shingles are an integral part of the Weather Stopper® 5-Part Roofing System—the best and safest choice for protecting your most valuable asset. The Weather Stopper Roofing System has also earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system.

(Refer to Good Housekeeping magazine for its consumer protection policy.)

# PacificRIDGE™

Distinctive Ridge Cap Shingles

## The Weather Stopper® 5-Part Roofing System

### 1. LEAK BARRIERS

Weather Watch® and StormGuard® are the ultimate Leak Barriers! They provide critical protection against wind-driven rain and, in the North, damaging ice dams.

### 2. ROOF DECK PROTECTION

Shingle-Mate® Roof Deck Protection lays flatter for a better-looking roof. (In the West, premium Leatherback® Roof Deck Protection is a great alternative.)

### 3. QUALITY SHINGLES

GAF Materials Corporation Class A Shingles are your safest choice in roofing. From the name homeowners have trusted since 1886!

### 4. EFFECTIVE ATTIC VENTILATION

Cobra® and Master Flow™ Ventilation Products help protect against premature roof deterioration...for a longer lasting roof (when used in a properly balanced ventilation system).

### 5. DISTINCTIVE RIDGE CAP SHINGLES

TIMBERTEX® and PacificRIDGE™ Distinctive Ridge Cap Shingles enhance the appearance of your home while guarding against leaks at the ridge line.

"Your Best And Safest Choice"

### Homeowner's Best Choice

- **Attractive...**High profile design adds texture and shadow to enhance the natural beauty of the home by defining the roof line
- **Right Color...**Designed to complement the color of your roof's shingles
- **Peace Of Mind...**Benefits from the same warranty term as the asphalt shingle it is applied over, up to a maximum of 40 yrs\*

### Professional's Best Choice

- **Easier To Install...**Pre-formed design with 8" exposure means no cutting or folding on the roof
- **Saves Labor...**Fewer pieces to apply than ordinary hip and ridge products
- **Durable...**SBS-modified asphalt make layers sturdy and strong, and will help prevent cracking and peeling

\*See ltd. warranty for complete coverage and restrictions.

### Nominal Product Specifications

- Each box covers approximately 30 linear feet
- Approximately 3.3 boxes cover approximately 100 linear feet
- Approximately 160 pieces per 100 linear feet of coverage
- Available in 8" and 10" widths
- Each box weighs approximately 50 lbs. for 8" width product and 65 lbs. for 10" width product
- 20 boxes per pallet
- Available in the Western region only

Note: Measure your roof's ridges, hips, and dormers for quantity needed. An average 2500 square foot house uses approximately 70 linear feet of PacificRIDGE™ distinctive ridge cap shingles.
