*Quality You Can Trust Since 1886...
From North America's Largest Roofing Manufacturer™*

UNIVERSAL

RIDGE CAP SHINGLES

*The Perfect
Finishing Touch
For Your New Roof
Should Be A Protective
Ridge Cap Shingle*

A Protective Ridge Cap Shingle Will: Accentuate the natural beauty of your newly installed shingle roof • Insure protection at the highest-stress areas of your roof (the hips and ridges) • Provide a cost-effective alternative to using cut-up strip shingles as your ridge cap.

Universal Ridge Cap Shingles are an integral part of the Weather Stopper® 5-Part Roofing System—the best and safest choice for protecting your most valuable asset. The Weather Stopper Roofing System has also earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system.

(Refer to Good Housekeeping magazine for its consumer protection policy.)

UNIVERSAL

RIDGE CAP SHINGLES

The Weather Stopper® 5-Part Roofing System

1. LEAK BARRIER

Weather Watch® and StormGuard® are the ultimate Leak Barriers! They provide extra protection at vulnerable areas like eaves, rakes, valleys, chimneys, and skylights.

2. ROOF DECK PROTECTION

Shingle-Mate® Roof Deck Protection lays flatter for a better-looking roof. (In the West, premium Leatherback® Roof Deck Protection is a great alternative.)

3. QUALITY SHINGLES

Including Timberline®, the #1-selling architectural shingles in America—your safest choice in roofing. From the name homeowners have trusted since 1886!

4. EFFECTIVE ATTIC VENTILATION

Cobra® (coil or hard plastic) and Master Flow™ Ventilation Products help protect against premature roof deterioration (when used in a properly balanced ventilation system).

5. PROTECTIVE RIDGE CAP SHINGLES

Universal Ridge Cap Shingles offer great value while guarding against leaks at the ridge line.

“Your Best And Safest Choice”

Homeowner's Best Choice

- **The Right Colors...** Colors are designed to complement the color of your roof's shingles
- **Uniform Look...** Machine-cut design delivers a uniform look across the entire ridge
- **Fungus Resistance...** Algae-Eater™ granules help to protect your hips and ridges from damage and discoloration (available only in the Southeast Region)

Professional's Best Choice

- **Saves Labor...** Pre-scored design eliminates the need for difficult or time-consuming cuts—allowing you to offer greater homeowner value
- **Highest Quality...** Micro Weave® Core provides exceptional strength to resist cracking
