

# EverGuard® TPO Accessory Vent Sell Sheet

Updated: 1/15

*Quality You Can Trust... From  
North America's Largest Roofing Manufacturer!™*

***[gaf.com](http://gaf.com)***

**Description**

EverGuard® TPO single-ply roofing system accessories provide roofing contractors an easy-to-install factory-built detail. EverGuard® TPO accessories are manufactured using a proprietary formulation designed for use with GAF's EverGuard® TPO single-ply membranes.

- **Cost effective...**  
Reduce installed costs
- **Improved reliability...**  
Factory-built accessories reduce risk of leaks and callbacks
- **Improved aesthetics...**  
Uniform look

**Application**

EverGuard® Vents are designed for use with GAF EverGuard® TPO single-ply membranes. This accessory may be installed on mechanically attached EverGuard® TPO roofing systems. EverGuard® Vents are installed using conventional techniques. See published application and specifications manual for detailed instructions.

**Product Information**

EverGuard® Vents are manufactured out of reinforced 45 mil TPO membrane and galvanized steel.

**Vent**

- For use in venting low-slope, mechanically attached roofs
- Limited to one-way flow to avoid moisture buildup within the roofing structure and material
- Custom colors available\*
