Color Shown: Golden Cedar
Choosing The Best-Looking Strip Shingle For Your Home

Some people think all 3-tab shingles look pretty much alike. Not so! At GAF, we've gone to great pains to make Royal Sovereign® Shingles the most beautiful strip shingles you can install.

Royal Sovereign® Shingles are made with an advanced color sequencing technology, creating a rich and vivid look.

Benefits

• Trusted For Over 50 Years... Royal Sovereign® Shingles have been the go-to fiberglass 3-tab shingles for U.S. contractors and builders for over a half-century!

• Quality Product... Over 10 billion Royal Sovereign® Shingles have been installed in North America — enough to circle the Earth more than 200 times if they were laid end to end!

• Advanced Protection® Shingle Technology... Reduces the use of precious natural resources while providing excellent protection for your home.

• StainGuard® Algae Protection... Helps ensure the beauty of your roof against unsightly blue-green algae. 1

• Looks Great... Color Lock™ Ceramic Firing Granules help maintain the true shingle color.

• Stays In Place... Passes the industry’s two toughest wind tests: ASTM’s 110 mph and 150 mph wind tests. 2 (under controlled laboratory conditions).

• Excellent Performance... Micro Weave™ Core offers a strong foundation that helps resist cracking and splitting.

• Highest Roofing Fire Rating... UL Class A, listed to ANSI/UL 790.

• Great For Resale... The beauty of a new roof may increase your home’s resale value.

• Peace Of Mind... 23-year ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first five years. 3
