Master Flow® POWER ATTIC VENT ERV5SMT - ROOF MOUNT

# Wi-Fi ATTIC VENT

Color Shown:  
Weathered Wood

## Description

The roof-mounted Master Flow® Wi-Fi Power Attic Vent allows you to wirelessly control your attic vent from anywhere in your home. A great investment in attic ventilation, this next-generation technology allows you to connect *directly* to the vent via a Wi-Fi® or Bluetooth® technology-enabled device to monitor and adjust the vent's thermostat and humidistat for maximum efficiency and performance.\* This smart feature makes it easy to control your attic vent in order to reduce excessive heat and moisture in your attic for maximum comfort. Just download the GAF Wi-Fi Vent App and use your smartphone or tablet to control the vent.

## Features & Benefits
