

GRO SLOTTED & STAINLESS STEEL DRAIN COVERS & LIDS

GRO Slotted & Stainless Drain Covers & Lids are lightweight for rooftop applications and provide a functional purpose with a polished look. They provide effective drainage of rainwater, retain green roof materials from entering the roof drains, and protect drains in the path of roof top walkways and decks. GRO Slotted & Stainless Drain Covers & Lids are designed to complement GRO Metal Edging in both modular and layered green roof applications.
