

GRT TRUNCATED DOME PAVERS (ADA)

GRT Truncated Dome Pavers have a distinctive textured surface that alerts pedestrians that they have stepped onto different terrain or a change in the landscape is near. Available in 4 standard colors (custom colors available upon request), these attractive pavers are suitable for a decorative addition around pool areas, rooftop walkways, and other transitional spaces. GRT Truncated Dome Pavers are fully compliant with the Americans With Disabilities Act and are A MADE IN THE USA product.
