\* Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the Contractor Terms of Use. Visit [gaf.com/gaf-contractor-terms-of-use](http://gaf.com/gaf-contractor-terms-of-use) for details.

† See applicable warranty for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the applicable GAF limited warranty and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime Shingles only. See the GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions. Visit [gaf.com/LRS](http://gaf.com/LRS) for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime Shingle and at least 3 qualifying GAF Accessories. See the GAF Roofing System Limited Warranty for complete coverage and restrictions. For installations not eligible for the GAF Roofing System Limited Warranty, see the GAF Shingle & Accessory Limited Warranty. Visit [gaf.com/LRS](http://gaf.com/LRS) for qualifying GAF products.

‡ When installed with Lifetime shingles in the field of the roof, otherwise coverage term is 25 years.

§ Some limited workmanship coverage may be available through your contractor.
