

Timberline UHDZ® Shingles Enhanced Warranty Advantages

Protect your home with our Golden Pledge® Limited Warranty¹

The Golden Pledge® Limited Warranty increases the non-prorated coverage period against manufacturing defects from 10 years to 50 years.² It also covers tear-off and disposal costs.

Best of all, when registered for a roof with Timberline UHDZ® Shingles, it provides Lifetime workmanship coverage. This features non-prorated protection for

the first 30 years against errors in the application of your GAF Shingles, Accessories, and Covered Flashings. Workmanship coverage is an important differentiator when choosing a residential roof warranty. Standard product warranties often include the labor required to repair or replace a covered component due to a manufacturing defect, but don't cover misapplication.

Every GAF Master Elite® Contractor is insured and licensed (in states where required).

Only a GAF Master Elite® contractor can offer the Golden Pledge® Limited Warranty.³
