

EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

1725 - CPD - M0063

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction systems comprising

'Drill-Tec #14' screw
placed on the market by

GAF
1361 Alps Road
Wayne, New Jersey, NJ 07470
USA

and produced in the factory
Location "C"

are submitted by the manufacturer to the initial type-testing of the products, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1725 - FM Approvals Limited - has performed the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of the factory production control at frequencies determined by FM Approvals Limited.

This certificate attests that all provisions concerning the attestation of factory production control described in the ETA:

ETA 12/0153

were applied.

This certificate was first issued on 18 May 2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference, or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
