Weather Stopper® Golden Pledge® Limited Warranty Addendum For Solar Mount Systems (SMS)

Notwithstanding anything to the contrary in Golden Pledge® Limited Warranty No. _____:

1. The Golden Pledge® Limited Warranty shall be deemed to include coverage for the installation of your _____ model _____ (the "SMS").
[brand name]
2. Coverage for misapplication of your SMS, including the flashing around it, if any, lasts as long as there is coverage for misapplication of Covered Flashings under the Golden Pledge® Limited Warranty.
3. If any part of your SMS is found to have application errors that adversely affect performance, GAF will arrange to have your SMS repaired or replaced or, at its sole option, will reimburse you for the full reasonable cost for a replacement SMS and the labor to install it.
4. Paragraph 4 under "What is Not Covered" shall be amended as follows: Except as set forth in Paragraph 3 of the Addendum hereto, damages caused by, or the cost to repair or replace, products not sold by GAF, including, but not limited to, metal work and counter flashing and the solar panel, electrical connectors, or any components of your solar system other than the mount system.
5. Paragraph 7 under "What is Not Covered" shall not be deemed to include the flashing around your SMS.

All terms and conditions of the Golden Pledge® Limited Warranty shall remain in full force and effect except as specifically modified herein.
